JOIN OUR TEAM
AND KNIT FOR CHUMS!

Get those needles working and see how many Easter Elephants you can create! Can you manage a whole herd?! We want you to get creative, and knit your Nellys in a kaleidoscope of colours; the more unique the merrier. You could make life-like grey elephants, or even in purple and orange to match the CHUMS Charity logo - it's up to you.

Feel free to personalise your elephants by designing hats, scarves or accessories for them, or keep it simple with a more traditional look, every Elephant is welcome!

Simply register your details with us to join our knitting crew, and we'll email you the pattern.

Send your finished elephants to us at the address below by Sunday 7th January 2024, marking your parcel 'Easter Elephants'.
